Dear Friend of the Spring Lake Community House and Theatre:

"Restoring the Shore" and making Sandy a past memory is the major initiative for the SLCH this year and next. Building improvements and birthday celebrations have been added to the usual busy schedule of SLCH activity.

The lead project in this initiative is providing handicap access to the SLCH and the Spring Lake Library through the Third Avenue entrance and installing handicap accessible restroom facilities. The estimated cost is $200,000.

Every contribution, large and small, will be needed to achieve this goal. For the next two years, names of every donor will be inscribed in a Recognition Book on display in the O. H. Brown Room at the SLCH. Major Donors of $1,000 or more, $2,500 or more, and $5,000 or more will be honored on a bronze plaque installed near the handicap entrance.

Of course, SLCH will continue to host the Theatre with its six 2013-2014 productions and its dance, voice and acting classes for over 400 children. It will continue to provide meeting space for many local groups. And don't forget to come to our 90th Birthday party on July 4!

Your support is deeply appreciated to maintain and improve this gem of the Jersey Shore and make "Sandy" old news!
